

The diagram shows a rectangular print layout with a light gray background. It features three main types of lines: a red line forming the outermost border, a blue line forming an inner border, and two vertical green lines. A horizontal double-headed arrow spans the width of the blue line border. A horizontal double-headed arrow spans the distance between the two vertical green lines. Two diagonal arrows point from the top center towards the top corners, meeting the red line. Text labels are placed near these lines to explain their function.

RED LINE IS THE CUT LINE

THIS IS WHERE THE FINISHED
PRODUCT WILL BE CUT

BLUE LINE IS THE SAFETY LINE

ANYTHING THAT IS NOT GETTING CUT
MUST BE INSIDE THIS BLUE LINE

GREEN LINES ARE THE FOLD LINES

THIS IS WHERE THE JOB WILL
BE FOLDED
